**Meeting Agenda**

**A. Discussion Items**

**President** (Dr. Moore)

1. Chronicle of Higher Education Article  
How do we meet students where they are and how do we support?  
How do we detect their behavior? Disengaged, unmotivated, distracted.  
How do we access student's well-being?  
How do we serve Latino students?
2. Strategic Enrollment Management Plan  
Report has been submitted to HED.
3. Lea County Education Consortium (NMJC commitment)  
Superintendents focus was on career and technical education. Surrounding communities plan to develop their own CTE program to prepare students to come to NMJC. Transfer - Opportunity Scholarship. Parental Support - Familiarity.  
Continue to meet with parents.
4. Data Usage/Nuventive efforts / HED requests  
GO Bond efforts  
Be informed on what data is saying. HED requests data often to continue to watch for progress. Board Equity and Student Success Committees reviewing data to assure processes are in place to support students. GO Bond - NMJC will request \$4 million out of a total of \$229 million. GO Bond efforts continuing.
